Common Europe Congress 2011

Signs of Excellence

COMMON EUROPE CONGRESS IS THE PLACE TO BE THIS MAY:

- ◆ Hang out with Power i industry leaders and IBM experts
- ◆ Dive into the latest Power i products and technology with our no-hype in-depth sessions
- ◆ Build valuable relationships with other attendees from Italy and around the world
- ◆ Obtain relevant technical advice and take your skills to the next level
- ◆ Dive deeper in DB2 for i with the post-conference workshop
- ◆ Save tons of €€€€ on training with this 3 day concentrated education
- ◆ See latest systems and solutions from BP, ISVs and Consultants

Even more plus points:

- ◆ **CEC is the most important event in Europe** for the IBM Power System i.
- ◆ **CEC is most authoritative** as organized by the leading Power System i user community.
- ◆ **CEC is very high level**, thanks to the large participation of experts and speakers from all over Europe, researchers from IBM's labs and authors of ITSO RedBooks.
- ◆ **CEC is the greatest opportunity** to meet and exchange experiences with international colleagues and corporate responsibility persons.
- ◆ **CEC has unparalleled quality participation** with a gathering of Italian and European IT managers and decision makers.

Still not convinced:

- ◆ **CEC has in-depth sessions** on Power System i, AIX, Linux, Lotus Domino, WebSphere and related technologies as RPG, PHP, DB2, SQL, Java, Ruby, ...
- ◆ **CEC offers** advanced level workshops as well as session on "Power System i for beginners."
- ◆ **CEC presents** Business Solutions by major IBM Business Partners and significant case studies from IT Managers.
- ◆ **CEC is fun** with social events to build your knowledge and friendship network.
- ◆ **CEC comes once a year**, so don't miss this opportunity of 2011.
- ◆ **CEC participation gifts you a big discount for the post conference IBM DB2 i Forum.**
